

LIGHT A LUMINARIA!

**At The
American Cancer Society
Relay For Life® Frisco
April 18, 2008
Pizza Hut Park**

Lighting a Path Toward Hope

It's one of the most inspirational moments at the American Cancer Society Relay For Life®. When the sun goes down, hundreds of luminaria light the way under the stars to remember those lost to cancer, those fighting cancer, and those who have fought cancer and won. This ceremony of light symbolizes the hope and perseverance with which we all continue to fight.

What is a Luminaria?

Luminaria are those glowing bags, that to the naked eye appear to be nothing more than paper sacks filled with sand and candles. But upon closer examination these sacks represent people, each with a name and a story to tell. Each glowing bag represents our shared vision for a future in which cancer no longer threatens the people we love. When the sun goes down, hundreds of luminaria light the way under the stars.

Order a luminaria for your loved ones and friends who have been touched by cancer. You can make a tribute in honor of a cancer survivor or in memory of someone who has lost the battle. Your loved one's name will appear on a luminaria and will be lit during the Luminaria Ceremony at Relay For Life®.

You will have the satisfaction of knowing that your gift will support the American Cancer Society's efforts to make a real difference in the fight against cancer.
